Booking Process

Upon enquiring, I ask that you let me know the following information so I can provide you with a quote; Wedding date, location of where you will be getting ready, how many people it will be for and your ceremony time. Please note that I have a minimum booking requirement of 3 people and a maximum of 6. However, if you have a larger bridal party, I do have an additional MUA that I can bring (depending on availability), in this case there will be an additional MUA fee. If after discussions you would like to confirm your booking with me as your bridal MUA, a signed agreement is required as well as a £50 booking fee which secures your date and then comes off your remaining balance. Please note that no booking is secured until these are received.

Once Booking Is Confirmed

Once booking is confirmed, you will receive a downloadable copy of my bridal guide, Bridal Beauty & Beyond. A handy guide that I have made including skincare advice, wedding morning tips, recommended suppliers plus more!

I highly recommend getting a trial booked in. Trials are available for brides, bridesmaids and mothers of the bride / groom. During your trial we will discuss all things about your wedding. I will take into account your style of dress, your hairstyle, your colour scheme and florals to create a look that will perfectly compliment your whole day. We will also go through the schedule and timings of your wedding morning.

On The Day

We will arrange well in advance to your weddings the timings and schedule, however I will get in touch a few weeks before to confirm that all agreed plans are still correct. When I arrive I will set up my kit ready for my first client and I will work with your hairdresser to ensure everyone's hair and makeup is completed on time and everything runs smoothly. The brides makeup should be second to last or somewhere in the middle.

I always make sure that all my clients are ready at least 1 hour before the ceremony time or the time you need to leave. This ensures you and your bridal party have plenty of time to get dresses on, have photos and relax before you head down the aisle. I will also stay with you until you leave for pre ceremony touch ups and everyone booked with me will also receive a touch up kit to ensure your makeup is picture perfect all day and night!

Additional Package

Pre ceremony touch ups are included in your bridal package. However if you would require me to stay until after your ceremony for touch ups ahead of your wedding photos, this is an additional package that can be added to your booking. This is an additional £50.

Testimonials

Ellie was the most attentive and talented make up artist I could have asked for our wedding in July 2023. Having very sensitive skin I was nervous about having my makeup done for our wedding, but Ellie was so considerate of this and I had no reactions at all! From the make up trial I knew we were in good hands, Ellie did a beautiful natural bridal look for myself and also mother of the bride and bridesmaids. Can not recommended Ellie enough to all future brides and anyone in need of a make up artist.

Ellie is absolutely fantastic at what she does. She did all of me and my bridesmaids makeup on my wedding day, I've never felt so beautiful in my life.

She is super friendly and made the morning the best it could have been. She stayed with us until we had to walk down the aisle to top up any makeup that was ruined by happy tears and emotions!

Would highly recommend, 10/10

Oh wow what can I say about this beautiful girl! Ellie did my wedding make up and I was not disappointed! She was so kind and professional, my make up was beautiful and my bridesmaids, mum and mother in law all looked stunning too! Not only did Ellie give me the exact look I wanted, she was a pair of extra helping hands even helping tie my bouquets and taking lovely photos and videos of my time getting ready! Thank you so much Ellie I hope we meet again in the future. Your such an amazing make up artist .
